

To whom it may concern,

I am writing this letter to recommend Phat Mai, who served as an intern and summer employee at Indevit Oy Ab from November 2023 until September 2024.

During his time with us, Phat demonstrated strong commitment to learning and a high work ethic. He showed himself to be self-motivated and proactive, always trying to solve and understand challenges rather than get stuck. Among other things, he worked on a React frontend for a customer project, and developed an internal application where he worked full-stack using Blazor, ASP.NET Core API, SQL Server and Azure Devops Pipelines.

Phat's positive energy and extroverted nature made him a joy to work with. He was always eager to engage with his colleagues, contributing to a friendly and collaborative team atmosphere. His sense of humor helped to keep the mood light and the work enjoyable.

I am confident that Phat will be a great asset to any company or organization. I recommend Phat Mai without reservation and would gladly work with him again if the opportunity arises.

If you have any further questions or need more information about Phat Mai and his performance during his time with us, please do not hesitate to contact me at +358 509182903 or at jonathan.svahn@indevit.fi.

Sincerely,

Jonathan Svahn, 1.9.2024
